

Proposition 84 Statewide Park Program – Round One

Trust for Public Land

\$1,908,504

Maywood Avenue Park

This project will create the new Maywood Avenue Park in the City of Maywood through development of a .33 acre parcel and construction of a new entry plaza, artificial turf mini-soccer field, playground, skate area, walkways, restroom building, and landscaping.

Through community based planning meetings, youth, seniors, and families selected these features. Additional design ideas from residents to be included in the project are:

- Include shade trees, planting areas, and a drinking fountain.
- Have a decorative entry gate and fence. Gate the park at night, park should be well lit at night, maintain visibility through entire park.
- Include a sculpture, mural, or mosaic of Benito Pablo Juarez.
- 25-50 residents and school children will paint murals and tiles for the entry plaza. 16 youth from the Los Angeles Conservation Corps will help construct the park.

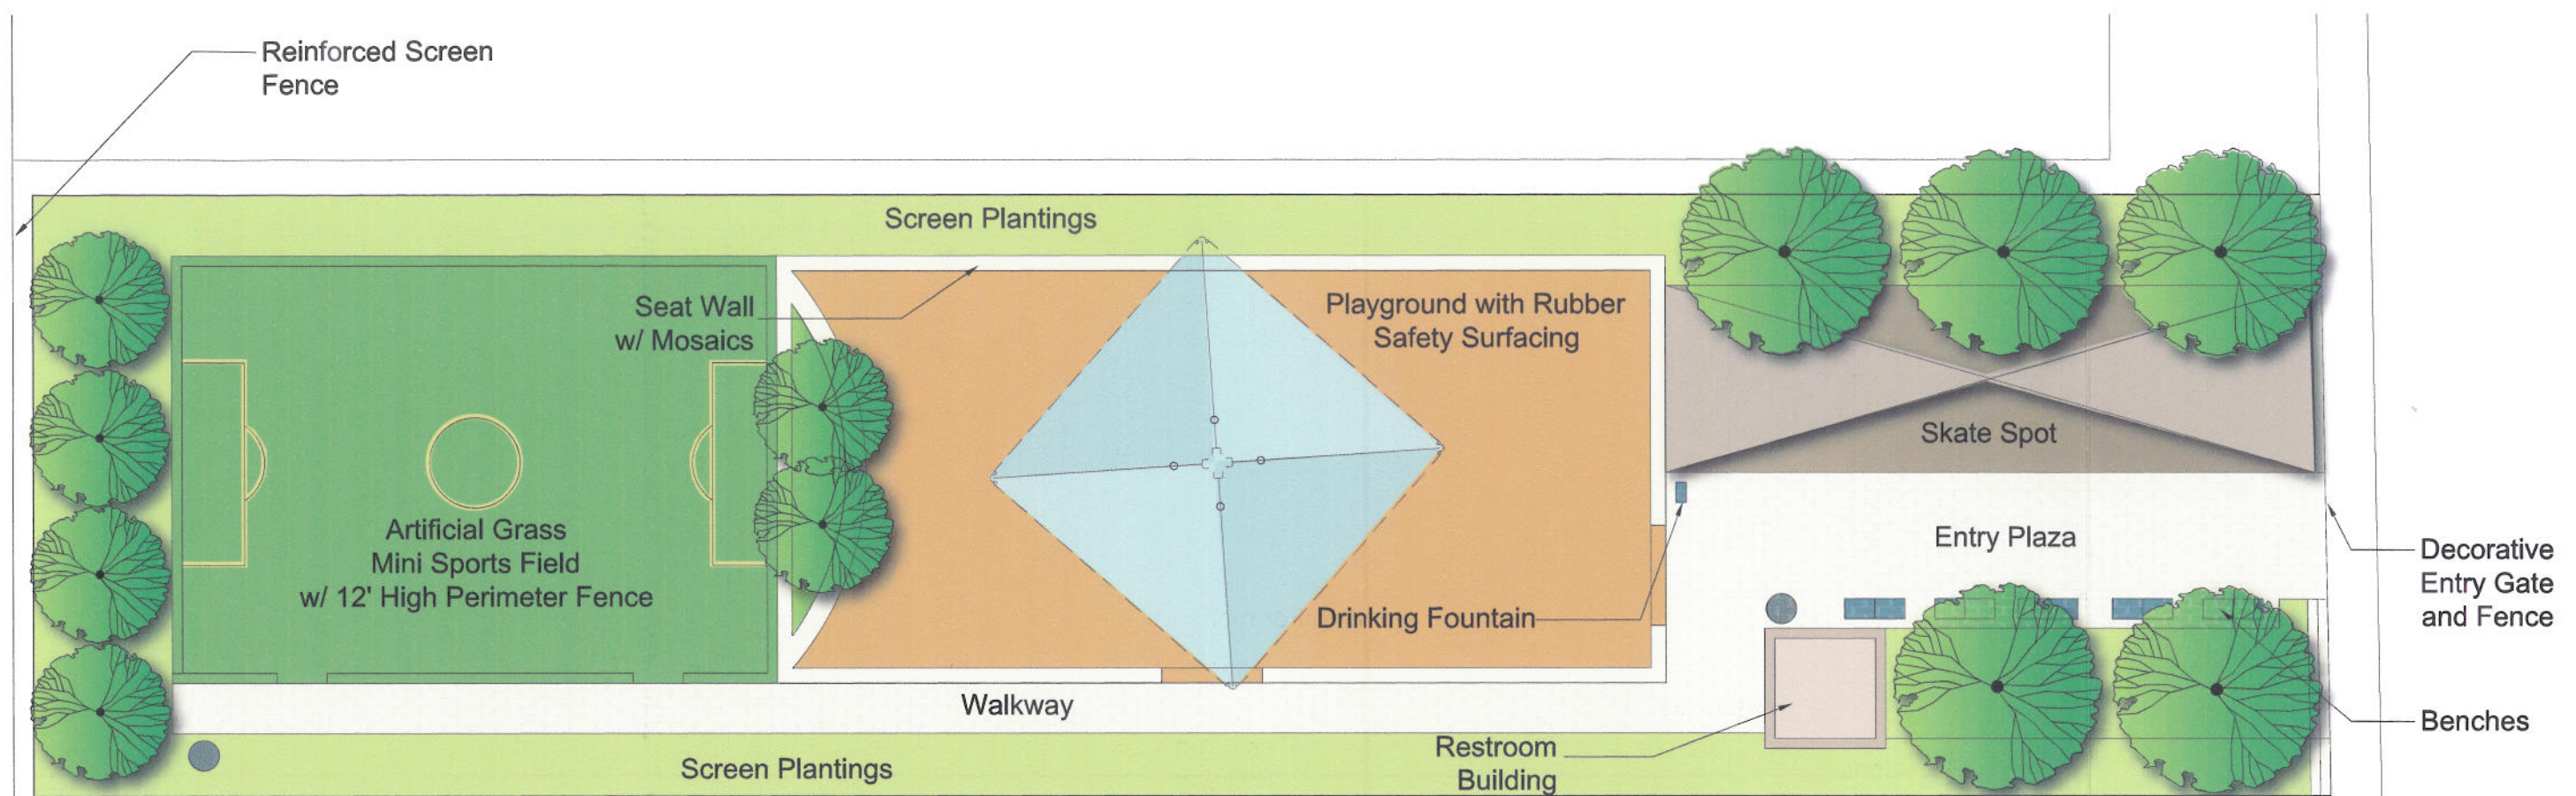

The project will include these sustainable techniques:

- Use efficient irrigation system with evapotranspiration and soil moisture sensors.
- Use pervious pavers on the paths.
- Site amenities will include recycled content.
- Use native, drought tolerant plants.
- Use solar or LED lighting, grading and drainage plan will keep all water on site.

The park will be open daily from dawn until dusk. No fees will be charged for park use.
